HIGH TATRAS SLOVAKIA

## Relaxing and exciting experiences

### Café Dedo on the top of Lomnický Peak (2,634 m a.s.l.)

Relax and enjoy the stunning mountain scenery. Café Dedo is situated at the top of the second highest peak in Slovakia and offers unbeatable panoramic views plus delicious coffee and delicate drinks. You can reach the top by cableway but you can also decide to take a challenging hike to the top, together with a professional mountain guide.

**Starts at EUR 50**

### Scenic flights

Our beautiful mountains, countryside and populated areas look just as appealing from above as they do on the ground. Let us organise a limousine transfer to the airport for you and show you our national landmarks and heritage. One plane can seat up to three adventure seekers.

**Starts at EUR 280**

### Trips to UNESCO World Heritage Sites

Our region is very diverse, and one can find a number of traditional and historical places just around the corner. Choose one of our trips and you will get to see the most interesting sights that are nearby. When visiting Slovakia, we will help you enjoy your experience to the fullest extent possible. Let us organise you a trip in a comfortable car with an experienced guide.

**Starts at EUR 180**

### Hot air balloon flights

Imagine floating in the air and feeling completely weightless. Balloon rides are one way of finding yourself at one with nature and let you see the world from a bird's eye view.

**Starts at EUR 990 for 2 persons**

### Bear watching

Take advantage of this chance to spot a brown bear in its natural habitat. Project Bear works with the High Tatras National Park Authorities as part of a programme to control the population of brown bears in the Western and Belianske Tatras and, for the first time, to take a comprehensive look into their lives. You can watch the wildlife from a 4x4 car or join the guides in the open terrain. The price includes a Project Bear guide, all transportation and a contribution to the project.

**Starts at EUR 150**

### Alpine hiking

The High Tatras are a very popular hiking destination, and one will find that there is an endless variety of hiking tracks available with varying degrees of difficulty. Let us help you choose the best hike for you together with our professional UIAGM guide.

**Starts at EUR 220**

### Bike riding

Discover the hidden secrets of our landscape by riding on a variety of challenging terrain. Some trips feature wild riding through superb scenery while others are on good pavement and offer great views to let you fully enjoy your day out.

**Starts at EUR 20**

### Rock climbing school

Rock climbing school is here for everybody who wants to try the thrilling experience of climbing under the guidance of an experienced instructor. There are perfect spots available nearby to climb while enjoying the beautiful nature, in addition to other rocks that can be accessed by car. Let's rock and find out who can climb higher! Remember, how high you go is less important than just experiencing the pure joy of climbing!

**Starts at EUR 75**

### The ranch in Gerlachov

The stables in Gerlachov offer horse riding and horse riding lessons on horses and ponies for kids. Both the horses and the ponies have been specially chosen for their safe temperament. Your child can ride a pony and you can enjoy a walk on horseback. Short trips are available out onto the meadows, where guests can enjoy beautiful views of the High Tatras.

**Priced from EUR 15**

### Tricklandia

Enter the magical world of visual illusions! Visit Tricklandia, and travel through Slovakia through plenty of trick-art pictures and showpieces. This unique activity for families and our smallest guests is located in Starý Smokovec, less than 20 minutes by car from Grand Hotel Kempinski High Tatras.

**The entrance fee is EUR 8**
