

Introducing Hybrid Rooms

Every Moment Matters

Hybrid Rooms: the perfect room to relax, and the ideal space to work

Inspired by the demands of a new, more flexible, remote way of working, our Hybrid Rooms bring together the facilities of a modern office with the comforts of a contemporary hotel room.

These rooms have been carefully selected to offer you a spacious, quiet, climate-controlled environment, large desks and comfortable chairs, so you can focus on your work without distraction or interruptions. Plus, you will enjoy unparalleled service, comfort and style, for a memorable stay.

All underpinned by our comprehensive health and safety protocols, designed to ensure your safety and peace of mind from check-in to check-out.

Stay connected with

- Free, fast and secure Wi-Fi connection
- Easy connectivity to second screen with quality video conferencing capabilities
